Park Description: The Chicopee River Business Park is located at the intersection of I-90 (Mass Pike at Exit 6) and I-291. This unique Park offers a range of sites designed to meet the needs of manufacturing and office users. Much of the Park was developed on a former golf course and is set within a mature landscape. The natural setting is unlike any in western Massachusetts. The US Headquarters of Prima North America, a laser manufacturer occupies 87,000 SF in the Park.

Community Description —“Shovel Ready”: The Chicopee River Business Park is located in both Chicopee and Springfield, MA. Both municipalities are business friendly and together they serve as the heart of a diverse regional economy anchored by growing manufacturers, a burgeoning medical technology sector, and educational institutions that are renowned for applied research.

The Westmass Commitment: Westmass will assist companies with site evaluation, conceptual site planning, project permitting and closing requirements. Westmass has extensive experience in permitting of business/industrial projects. This site is “shovel ready”. The geo technical investigations, the storm water management plan, the complete site plan have all been completed and are immediately available. The Conservation Commission has issued its “Order of Conditions” for your project. As soon as your building foundation and elevation plans are ready — so are you.
